

#### ABOUT INDUSTRY

Indian Paper Industry is poised to grow and touch 25 million in 2019-20 from 20.37 million tons in 2017-18.

India's share in the demand for paper across the globe is growing, as the domestic demand is increasing at a steady pace, growing manufacturing sector, requirement of better quality packaging of FMCG products marketed through organized retail and the demand for the upstream market of paper products, such as tissue paper, filter paper, tea bags, light weight online coated paper and medical grade coated paper are expected to drive the paper & paper products market in India in coming years.

Under this scenario & to serve the pulp & paper industry, Paperex series of exhibitions has proved to be the ultimate gateway

**Keeping in mind the growth of pulp & paper industry there is an urgent need for a Unified Business Platform which can help prominent International and local exhibitors to connect with each other.** It is in this scenario that Paperex has become the ideal business platform to meet face to face with targeted quality visitors interested in the latest products, equipment, paper manufacture machinery, pulp, paper, cardboard, tissue, chemicals, printing and packaging technologies.
